Re: January 27, 2006 Meeting, Agenda Item # 06-1-6
The Air Resources Board/ Railroad Memorandum of Understanding

Dear Dr. Sawyer and Boardmembers:

As in my letter of October 19, 2005, I continue to express my concern with the Memo of Understanding the ARB has entered into with the railroads.

Although my constituents and I appreciate the public hearings held by ARB in the fall, I believe the issues surrounding the MOU still persist, especially with regards to the "release clause". I encourage the ARB to withdraw the "release clause" from the MOU since I am still unclear on any benefit it presents to the public.

If you have any questions and would like to further discuss any of my concerns, please feel free to contact me.

Sincerely,

Fran Pavley
